2025 Annual Meeting & Election List of Board of Director Nominees & Biography

1. Johnny P. Taitano

Hafa Adai! I am Johnny (John) Perez Taitano, current Secretary of the Board of Coast360 FCU.

In the past 18 years as a board member, I recommended and introduced programs to add value to our membership. It is my intention to continue working closely with fellow board members to ensure constant growth, development and advancement of products and services.

My volunteer activities in our community include being an active member of various non-profit organizations. As Past-President of the Young Men's League of Guam, I lead programs that perpetuate our rich culture. As a member of the Finance council of the Immaculate Heart of Mary Catholic Church we provide guidance to our Pastor. As the Vice-Chairman for the Ministry for the Homeless board under the Archdiocese of Agana, we directly support the ministry team who provide meal services to the homeless. Most recently, I was inducted into the Knights of Columbus council, which was founded on the principles of charity, unity, fraternity and patriotism.

My work career started after my high school graduation in 1972. I joined the US Army with the 101st Airborne Division and was honorably discharged in 1978. In 1979 I joined IBM Corporation as an Account Customer Engineer until my retirement in 2003. I was assigned as the Deputy Director of the Department of Parks and Recreation for the Government of Guam from 2017-2019. I am now enjoying retirement life.

I am a proven leader focused on guiding the credit union to greater success and I look forward to taking up this challenge in the coming years. I will bring my normal passion and drive to meet our mission through the positive development of our loyal employees and providing full support of the management team efforts.

2. Matthew P. Quinata

Why I am running as a member of the Board of Director?

I was a member of the Board of Directors for many years. However, on November 2020, I contracted Covid-19 and was unable to run for re-election in March 2021 due to an extended stay in the hospital which included being in a coma. I was discharged from the hospital on July 2021 and went through a two year long recovery period. I decided to run again because I enjoyed the volunteer work I performed on the Board. With much improvement in regard to my health, I believe I can continue to contribute to the Credit Union's success.

Education and Employment

I graduated from John F. Kennedy High School, Tumon Guam on May 1983. From there, I attended the University of Guam from 1984-1989 and graduated on May 1989 with a Bachelor's Degree in Accounting. I was offered a position with the Government of Guam's Bureau of Budget Management Research after graduation. I was hired as an Auditor-1 and

eventually was promoted up the ranks to Chief Internal Auditor. I also did Budget and Management Analyst work. I enjoyed by government career and retired on September 2018 after 30 years of service.

Volunteer service

As a member of the Association of Government Accountants (AGA), I provided my service assisting with the many activities such as the AGA's 5k Runs, Soup Kitchen Serving, Salvation Army Bell Ringing and other community outreach. I was elected President and also served as the Newsletter Chairman receiving several awards from the National AGA.

I also volunteered with church sponsored activities such as serving the residents at Guma Trankilidat, the Soup Kitchen and Sanctuary for Christmas gift giving. When there is a need for help with non-profit organizations, I try and assist.

Si Yu'us Ma'åse to you, our members, for the opportunity to have served a twelve-year term as one of Coast360's Board of Directors!

We, the board, management and staff continue to strive to provide excellent services. In working as a team along with you, we were able to achieve a positive growth on our financial status and navigate the curves and bumps that the pandemic brought upon us. The pandemic continues to bring tough challenges. If anything, it has fueled all of us to work even closer together to protect our beloved Coast360 and provide greater and more creative services and products.

I obtained my master's degree in School Administration in 1975 from the University of Guam. I served as a school principal, assistant principal, teacher, guidance counselor, and special education consultant. I retired from the Department of Education in 1989.

After my retirement, I joined my husband in the operation of several businesses in the CNMI (general merchandise store, construction, business consulting, party favor store, etc.) which gave me a clear understanding of the struggles of the truly "small" businesses. I served as the Vice Chair of the Southern Guam Soil and Water Conservation District and was also Treasurer for the same. I also served as Secretary and Treasurer of the Farmers' Cooperative Association of Guam (FCAG) as well as a board member for the Port Authority of Guam.

I am happy to be a parishioner of Blessed Diego church in Tumon. I also was part of the liturgical services with the church. As a proud farmer, I continue to maintain our family fruit farm in Inalåhan after the passing of my husband, Diego D. Mendiola, in 2018.

My late husband and I are blessed with three children: Pearlita, +Sean, Diego II, daughter-in-law, Tammy and children, and our grandson Sean Diego. I personally believe that the greatest things happen when we DO more, DO better and, DO it all with love in our heart!

Sen Mas,
Si Angelita Paulino Mendiola (Auntie Angie)
