Standard data and messaging rates may apply. Consult your mobile carrier for pricing details on your plan. App Store is a service mark of Apple Inc. Google Play logo and Android are trademarks of Google Inc.

Member Business Loans

Our Business360 products are designed to help businesses in our community. Whether you're starting a new business or strengthening an established one, we have long- and short-term lending options to help your business grow and succeed.

COMMERCIAL REAL ESTATE LOANS AND BUSINESS TERM LOANS

Invest in commercial properties, whether you occupy them as a business owner or not. We offer fixed or variable interest rates for purchasing or refinancing on:

- Commercial investment property
- Multi-family investment property
- Residential investment property
- Owner-occupied commercial
- Industrial real estate

Look into our Business Term Loans for major purchases or expenses to deliver long-term capital to help minimize the impact on your monthly budget, making it a perfect choice for financing your major initiatives. It's also a viable option to refinance higher-interest loans from other financial institutions to lower your interest rate and monthly payments.

- Flexible terms and conditions
- Up to 25-year amortization
- Competitive loan-to-value financing on most properties
- No prepayment penalty

BUSINESS LINES OF CREDIT

Get easy and flexible access to cash to help position your business for success in the long-term. Ideal for working capital, bridge cash flow gaps, cover AR/AP gaps, overdraft protection, unexpected business expenses, and much more.

BUSINESS EQUIPMENT AND VEHICLE LOANS

Our loans are designed to assist you in purchasing all types of equipment and machinery.

- Flexible repayment options
- Terms up to 7 years
- No prepayment penalty

U.S. GOVERNMENT SPONSORED PROGRAMS

U.S. Small Business Administration 7(a) Loans

The 7(a) Loan Program provides financial help for small businesses with special requirements. This is a good option when real estate is part of a business purchase, but it can also be used for:

- Short- and long-term working capital
- Refinancing current business debt
- Purchasing and installation of machinery and equipment
- Purchasing furniture, fixtures, and supplies
